

Coventry Health Care National Accounts Achieves **URAC Accreditation**

Coventry Health Care National Accounts, Inc. ("Coventry") has been awarded full Health Utilization Management Accreditation by URAC. URAC is an independent nonprofit organization committed to promoting health care quality through accreditation and certification.

The URAC Health Plan accreditation process measures a health plan's performance based on nationally accepted standards of quality. This accreditation shows that Coventry meets or exceeds the comprehensive URAC Health Plan standards in the Utilization Management area.

For more information on Coventry's specific URAC accreditation, visit [URAC's website](#).
